Phase 1 (14-20 /06/2016) , Phase 2 (12-14 /07/2016)
The trainer Is Anthony Peter Little – Training Expert – Team Leader
- Certification of Participation in a Teacher Training Seminar, for 60 hours, on Action research & Course Design, Methods of Teaching and Assessment in higher education, during the academic year 2014 .

- **Training and practical experience:**

- Short Course on Remote Sensing With Special Emphasis On Digital Image Processing For tow Month 04.01.2016 to 26.02.2016 In Dehradun – India .

- **Working on Project (Survey for Quarries, Workshops, Crushers and Factories) In West Bank Using Geographic Information System (GIS) With Palestine Polytechnic University In partnership with the Center of Stone and Marble and UNIDO. (Two Years)**
- **Field training (1) in Hebron, (Zahida Office For Surveing) the training Lasted for 150 hours In land Surveying And office Training on some program for surveying.**
- **Field training (2) in Hebron, (UNRWA)the training lasted 180 working hours in Geographic Information System (GIS) in al-Arroub Camp.**

- **Works :**

- **Zahida Office For Surveying :**
Working in Land surveying and office Training on some program for surveying Since 01/07/2011 Until 30/06/2013.
- **Palestine Polytechnic University (As Apart time):**
Teaching plan Surveying/practical, Advanced plan Surveying /practical, Geodesy surveying/practical and GPs/practical since 1/9/2011 To 1/5/2012.
- **Palestine Polytechnic University (Research and Teaching Assistant)):**
Teaching plan Surveying/practical, Advanced plan Surveying /practical, Geodesy surveying/practical, GPs/practical and Discussion of the theory of error since 1/9/2012 To 8/7/2014.
- **Palestine Polytechnic University (Supervisor For Surveying lab)):**
Teaching plan Surveying/practical, Advanced plan Surveying /practical, Geodesy surveying/practical, GPs/practical and Discussion of the theory of error since 1/9/2014 To Until now.
- **Working As Autodesk Civil 3D Trainer with Unit part In University and HRD For Consulating & Training .**
- **Working As Autodesk Civil 3D Trainer with Unit part [Palestine Engineers Training Center - PETC](#)**

- **Skills Summary:**

- **Good Communication Skills.**
- **Ability of Working under Pressure.**
- **Good Knowledge in Sewer Design.**
- **Very Good knowledge in English language.**
- **Dealing with all Total Station type and GPS.**
- **Dealing with Laser Scanner Device.**

- **Software Skills:**

- **Autodesk Land desktop.**
- **Auto Cad Civil 3D 2009-2018.**
- **ArcGIS 10.0, 10.1.**
- **SEWER CAD.**
- **ASRix.**
- **PoivilliersF.**
- **EARDAS.**
- **Primavera Project Planner 6.**
- **High proficiency in using Microsoft Word ,Microsoft Excel, Microsoft power point and Microsoft Access.**
- **Faro Sense.**
- **Point Cab.**

- **Languages :**

- **Arabic is my native Language.**
- **Excellent in English.**
- **Very good in Hebrew.**
- **Good in French.**

- **Note :**

- **I have a Jordanian Passport, but my Nationality is Palestinian....**
- **Certificates are available upon request.**
